

The City of Richmond invites your input on the future renewal of the **Steveston Community Park Playground**

The planning process for the future renewal of this popular playground is in its early stages and we want to hear from you. A series of three progressing open houses will lead to the development of a preferred concept plan for Council approval. Please share your ideas with us.

Open House Phase 1: March 26, 10 a.m. to 2 p.m.
at the Steveston Community Centre, 4111 Moncton Street

The focus will be on gathering input from the community about the condition of the existing playground and identifying the community's needs, ideas and feedback to use towards the development of concept options.

Open House Phase 2: May (date and location to be confirmed)
Concept options will be presented for community feedback.

Open House Phase 3: July 1, Steveston Village, as part of the Steveston Salmon Festival
The Preferred Concept Plan will be presented.

Attend one or more of the drop-in style public open house for one-on-one interaction with City staff, to review display boards, participate in hands-on activities and complete the survey.

Bring your kids: There will be activities for children to share their ideas about what they would like to see in a new playground.

Visit www.LetsTalkRichmond.ca from March 26 to midnight, Sunday, July 15, 2016 for the open house information, to learn more about the process, review project updates and complete the survey.
