About the Brick Program

The Steveston Park Brick Program was installed in 1999 as a millennium project. It creates a permanent legacy which celebrates the people of Steveston.

Celebrate someone special or a special occasion: birth, birthday, anniversary, wedding; remember a loved one or beloved pet; honour a volunteer, graduate, or graduating class; or "just because".

Make your mark in Steveston Park with a permanent tribute etched in stone.

Brick Program FAQ's

1. Proceeds from the sale of the Steveston Park Bricks will continue to support the on-going projects and programs of the Steveston Community Centre.
2. Each brick is \$100.00 (including GST). A portion of the purchase price is eligible for an official receipt for income tax purposes.
3. Each brick is carefully installed by Society volunteers. Unfortunately, we are unable to accommodate placement requests. Bricks are ordered when sufficient quantities have been received; this may take several months.
4. Once your brick has been installed you will be notified.
5. The Legacy Brick Path is located at the West entrance to Steveston Park.
6. Select from two distinct brick styles: In Memory or the Steveston emblem as per examples on opposite page.
